

**Dena Williams**

I am a residential real estate agent servicing Montgomery County and the surrounding areas. I am well versed in residential neighborhood issues in the region.

I'm married to Greg Williams and we have four grown children and eight grandchildren. We moved from Odessa to Montgomery County in 2005.

I believe in service leadership and would love to serve my neighbors and community further by volunteering my time serving on the board of The Estates of Wedgewood Falls. Thank you for your consideration.
